FOR KILLING OF FROST.

William L. Kennedy and His Son Lee Are
Decried Bail by Judge Allen.

DECISION WAS RENDERED YESTERDAY

Prisoners Will Be Confined in the
Galveston County Jail—Will Be
Removed Monday.

Judge Allen of the criminal district
court rendered his decision in the
matter of the habeas corpus hearing of Wil-
liam L. Kennedy and his son, Lee Ken-
nedy, of Chambers county yesterday af-
ternoon, and it is that the accused shall
be confined in jail without the benefit
of bail until they shall have been tried
for the offense with which they are
charged.

The Kennedys are charged with hav-
ing murdered Sheriff John L. Frost of
Chambers county at Lake Surprise on the
night of November 10, 1900. They were
occupying the Lake Surprise property,
which belongs to Colonel W. L. Moody
of Galveston, and Sheriff Frost went to
that place to dispose of them of the
property, taking the necessary legal pa-
pers for the purpose. He arrived on the
scene and spent the day with the Ken-
nedys and the last seen of him was when
he left their home that night.

Sheriff Frost's friends became alarmed
over his absence a few days later and
an investigation of his disappearance re-
sulted in the arrest of William L. and
Lee Kennedy and Rob. Hemm, the first-
named having been arrested by Sheriff
Anderson at Houston and the other two
at Galveston. A habeas corpus hearing
of the Kennedys resulted, it having been
commenced in Houston by Judge Allen
in December and afterwards postponed
until January 8, when the hearing was
concluded on the 9th. Judge Allen took
the matter under advisement and on
yesterday rendered his decision as stated
above. The order of the court pro-
vides that the accused shall be confined
in the Galveston county jail, and they
will be removed from the Harris county
jail, where they are now confined, Mon-
day.

Counsel for the defendants have given
notice of an appeal to the court of crim-
inal appeals.

NEXT CONFEDERATE REUNION

IT IS TO TAKE PLACE AT MEMPHIS
MAY 28, 29, 30.

There Are Now Thirteen Hundred Camps Enrolled and One Hundred Applications Are Pending.

To All Commanding Officers, Commanders
of Camps, Adjutants and Comrades of
the United Confederate Veterans.

Headquarters United Confederate Veter-
ans, Adjutant General's Office, New
Orleans, La., January 12, 1901.—I. It hav-
ing been brought to the notice of the gen-
eral commanding that one of the camps
of this association has violated section 1,
article 2, of the constitution, by indulg-
ing in a political office, and as it
may have been done from inattention or
ignorance, the section is here published
in full, and brought to the notice of the
camps, so that no such infraction may
occur again, to-wit:

Article IX.

Section 1. No discussion of political or
religious subjects, nor any political ac-
tion, or infusing of aspirants for po-
litical office, shall be permitted within
the federation of United Confederate
Veterans.

It is, of course, right and proper for
individual members of camps to induce
their friends for political and other
offices, and to try and obtain positions for
their old comrades in their declining
years, by all honorable means within
their power, and under the sanction of
this way can not be too highly
commended; but under the above section
no such action of a United Confederate
Veteran camp, collectively, nor of an of-
ficer of the association, officially, will be
tolerated by the association.

II. The United Confederate Veterans
association was organized for a high and
holy purpose, and it will be the endeavor
of the general commanding to keep it
within its proper sphere, and to see that
it is not diverted from the noble and
benevolent purposes for which it was
intended.

As the glorious achievements of the
members, and the history it is intended
to perpetuate, were all won and made in
extraordinary times, and the association
was organized with the distinct under-
standing that religious matters were not
to be discussed or interfered with in any
manner, and that it was to have no con-
nection whatever with the politics of the
present day; therefore, we must see for
the clear of all such entanglements; as the
constitution plainly states, "nor any po-
litical action, shall be permitted within
the federation of United Confederate
Veterans," and consecrate all of our ef-
forts solely to the objects stated in the
constitution.

III. For the information, guidance and
observance of all comrades, the objects
and purposes of this association are here
given, so that hereafter there will be no
question from them, and the organiza-
tion kept within the proper and legiti-
mate channel which its founders intend-
ed, its constitution declares, and which
has been the invariable policy of the as-
sociation.

Article II—Objects.

The objects and purposes of this organ-
ization shall be, to-wit: "Social, literary,
historical and benevolent." It will strive:

1. To unite in one general federation
all associations of Confederate veterans.

2. To cultivate the ties of friendship
that should exist among those who have
shared common dangers, sufferings and
privations.

3. To encourage the writing by partici-
pants thereof, of accounts, narratives,
memoirs, histories of battles, episodes
and occurrences of the war between the
States.

4. To gather authentic data, statistics,
documents, reports, plans, maps and other
material for an impartial history of the
Confederate side; to collect and preserve
relics and mementoes of the war; to
make and perpetuate a record of the ser-
vices of every member and, as far as pos-
sible, of those of our comrades who have
preceded us into eternity.

5. To see that the disabled are cared
for; that a helping hand is extended to
the needy, and that the Confederate
widows and orphans are protected and
assisted.

6. To urge and aid the erection of en-
during monuments to our great leaders
and heroic soldiers, sailors and people;
and to mark with suitable headstones the
graves of Confederate dead wherever
found.

7. To instill into our descendants a
proper veneration for the spirit and glory
of their fathers, and to bring them into
association with our organization, that
they may aid us in accomplishing our
objects and purposes, and finally see not
us and take up our work where we may
leave it.

The general commanding hereby an-
nounces the fellowship of the following
named camps in the organization of the
United Confederate Veterans, all regis-
tered in conformity with the dates in
their respective charters; also their num-
bers, to-wit:

Pick Camp No. 1247, Mansfield,

"EVERYTHING EQUAL

I'll patronize the home house," is often said.

I claim, and a great many will bear me out, that I have three of
the best Pianos on the market, and offer them at the lowest possible
figures to make a reasonable profit, and can also truthfully claim
to be THE HOME HOUSE, as I have been here for 21 years, having suc-
ceeded Lorenzo Grunewald, who started in the music business in this
city 25 years ago.

I have shown my confidence in Houston by purchasing the build-
ing in which my business is conducted and by investing in residence
and other property, and have contributed time and money to all enter-
prises gotten up for the advancement of our city, hence those who are
in need of Pianos or other musical goods and desire to patronize the
home house, if they can do as well as elsewhere, (or better), will find
same at

nual meeting and reunion of the United
Confederate Veterans, which is to be

Tuesday, Wednesday and Thursday, re-
spectively.

2. With pride the general command-
ing also announces that 1300 camps have
now joined the association, and applica-
tions received for these headquarters for
papers for over 100 more. He urges ev-

quarters for organization papers, form

patriotic and patriotic objects.

W. C. T. U. Work.

The Union of W. C. T. U. held an interest-
ing meeting last Tuesday at the McKee
Street Methodist church. All unions of
the W. C. T. U. were represented. The
public meeting will be held next Friday
night at the McKee street church.

Very important has been the relief
work accomplished through this organiza-
tion, for, although the total cash received
has not been as large as last year, it
has been in great need and who would not
have been otherwise helped. Over \$10
has been received and hundreds of boxes
of clothing have been shipped to the
storm-stricken district.

Other important work was brought be-
fore the meeting and the next will be
with the Helen M. Stoddard union, Mon-
day, February 18 in the Sixth ward.
